

THE CARVER - FEBRUARY, 2021

THE NEWSLETTER OF THE PIEDMONT WOODCARVERS CLUB

This month's CARVER is brief but contains important information of interest to members. This is also the first PWCC document processed through John Kawalchuk our new Media Administrator. Hopefully you will see a more accurate and uniform public presentation of PWCC publications.

IMPORTANT INFORMATION DUE TO COVID.

Face Masks must be worn and social distancing kept. Temperatures will be checked before you enter for class. Anyone with a temperature of 101 or over will be turned away.

Membership Update

By now you should have received a copy of the new membership form for 2021 in the mail. A new form needs to be submitted for each member, this includes each family member and Life member. PWCC will maintain this form so that a new form will not be needed each year when you pay your annual dues. A new form would only be necessary if you need to update any personal information. If you haven't returned your form and your annual dues please do so as soon as possible. Any questions concerning membership form or dues please contact me.

Thankyou
Sharon

FYI

Early Registration is a convenience and courtesy to all and allows for proper instructor prep time and planning. Lack of timely responses may result in class cancellation which is not advantageous to anyone. PLEASE REGISTER BY MAIL as usual and include your payment check with your registration form.
